About

Design The Hamburg offers 2+2 sleeping options. In addition to the kitchen with a sofa bed, the houseboat has a separate bedroom with a double bed and a high-quality bathroom with a regular hot water shower. To make sailing away and mooring a lot easier, the Comfort Class M Plus has a bow thruster and a stern thruster. When the weather is nice you can sit on the roof terrace. What a beautiful view you have over the lakes there! Due to its good insulation, the comfort class M Plus houseboat is also very suitable for renting in the winter. With the heating it is pleasantly warm even on cooler evenings, so nothing stands in the way of a pleasant game or reading evening! What to bring: Towels, duvet covers, hygiene items, detergent, food, drinks and of course a good mood! You also have the option to book duvet covers and towels (bed and bath linen) with your reservation. Due to possible damage to the deck and for your safety, only boat or sports shoes may be worn on a house boat.
