About

The PRESTIGE 460 Fly is a luxury yacht from the F-Line range by the French shipyard PRESTIGE Yachts, designed to offer a comfortable and sociable cruising experience. This model stands out for its modern and functional design, signed by Garroni Design and JP Concepts. It is a vessel conceived for family and friends cruises, thanks to its generous interior and exterior spaces. The key feature of this model is undoubtedly the large and comfortable flybridge. Designed as a genuine open-air lounge, it invites relaxation and socializing. It is equipped with a large sunpad, a dining area with a

table and sofas, and often an outdoor galley with a grill, sink, and refrigerator. This space allows for full enjoyment of both cruising and moments at anchor. The cockpit is spacious and welcoming, with a table that can be converted into an additional sunbathing area. The aft platform, often hydraulic, facilitates access to the water and can accommodate a tender. The bow area offers another relaxation space with a large sunpad featuring reclining backrests, perfect for enjoying the sun in complete tranquility. The interiors of the PRESTIGE 460 have been optimized to maximize space and natural light, thanks to the large windows that offer a panoramic view of the sea. Upon entering the saloon, you are welcomed by an elegant and bright environment. The galley is strategically positioned aft, facilitating service to both the interior dinette and the exterior cockpit. It is equipped with a refrigerator, freezer, hob, and oven. The interior helm station is ergonomic and fitted with complete electronic instrumentation (Garmin), and offers excellent visibility. The PRESTIGE 460 is available with 3 cabins and 2 bathrooms, to accommodate up to 6 guests. Owner's Cabin: Located midship and full-beam, it offers generous space, a double bed, large hull windows right at water level, numerous storage compartments, and a private ensuite bathroom with a separate shower. VIP Cabin: Positioned forward, it features a double bed that can be converted into two single berths and direct access to the second bathroom, which also serves as the day head. Third Cabin: A cabin with bunk beds. Crew Cabin: With independent access from the stern, it is equipped with a single bed and a private head. The PRESTIGE 460 Fly is powered by Volvo Penta engines with IPS600 transmission, which ensures excellent maneuverability, fuel efficiency, and a reduction in noise and vibration. In conclusion, the PRESTIGE 460 Fly is a yacht that successfully combines elegance, comfort, and performance, making it ideal for those seeking a versatile vessel to experience the sea with style and without compromise.
