### About

**Design** The compact class offers a combined living room and bedroom for 2 + 2 people. In addition to the bunk bed, you can convert the seating area into a double bed in a few simple steps. The kitchen on board has all the necessary kitchen appliances; a refrigerator, sink and a gas stove. The warm air heating, together with the bio-ethanol wall fireplace, provides pleasant warmth and a cozy atmosphere even on cold days. The small bathroom and the (hot water) outdoor shower can be reached via the rear terrace. A wonderful place to enjoy nature is the cozy lounge on the bow terrace. But even on days with bad weather you can explore the idyllic Meuse Valley, because the helm is indoors. What do you take with you? Duvet covers, towels, hygiene items, detergent, food, drinks and of course a good mood! Duvet covers and towels (bath and bed linen) can be booked as an option with your reservation. Due to possible damage to the deck and for your safety, only boat or sports shoes may be worn on a house boat.
