The M/Y Aqua, is a beautifully crafted mid-range yacht that promises excitement and discovery for divers and adventure enthusiasts of every age. With a thoughtfully designed 8 days/7 nights itinerary, the M/Y Aqua is celebrated by scuba divers for its dynamic routes and engaging experiences. Some features of the Aqua: - Mid-range scuba dive Yacht. - 1 Guide every 8 passengers. - 3 Dives per day. - Standard Cabin: 10 m². - Unbeatable value for both our diving liveaboard. Tipping on Aqua: The 10% service charge is a standard inclusion in most tourism services in Ecuador. However, it is not included in our rates, as tips are optional. We provide a tipping guidelines: Aqua: Guide and Crew: USD 40 per day, per person. On all diving cruises, it is customary to hand out a single tip to all crew members, including the guides. Due to the more demanding workload associated with diving activities, the average tipping amounts on diving cruises tend to be higher. Please consider these tipping guidelines as merely suggestions. All gratuities are at the personal discretion of the traveller, and the quality of service should be the primary determinant of the tip amount. Tipping is a voluntary practice, and your travellers should never feel uncomfortable about it. If the service is not found satisfactory, tips should reflect that. If the service is outstanding, tips could be more generous. Additionally, if a particular crew member stands out, travellers can give them an extra gratuity directly.
