About

Aquilo • Bavaria Cruiser 46 • Refit 2025 Welcome aboard Aquilo, a beautifully maintained Bavaria Cruiser 46 that's a real pleasure to sail and feels like a floating home. With four cabins and room for up to 10 guests (8 + 2), she suits experienced sailors just as well as families and friends who simply want to relax under the Ionian sun. Freshly Refitted for 2025 Her 2025 refit brought a new mainsail and genoa, a new bow thruster, new solar panels, a new inverter, new sun pads and new navigation electronics. That means better sailing, easier manoeuvring and reliable power on board. Easy to Handle A 55 hp engine, autopilot, bow thruster and furling mainsail keep things relaxed, even in a tight marina. Her 14.2 ft beam and 6.9 ft draft make her steady and reassuring, so you can simply enjoy the sail from one hidden Ionian bay to the next. Bright and Homely Below Panoramic windows fill the saloon with natural light. The galley has an oven, a fridge, a Nespresso machine and all the utensils you'll need. The four cabins are comfortable and private, there are three electric toilets, and fresh bed linen, pillows and towels will be waiting for you. There's also a flat-screen TV for cosy evenings on board. Life on Deck The spacious cockpit has a bimini for shade, and the wide bathing platform makes it easy to slip straight into the sea. The sun pads and extra cushions are perfect for lazy afternoons and sunset drinks, with music from the outdoor speakers and audio system. And thanks to the solar panels, you can stay happily independent at anchor. Good to Know The dinghy and its outboard engine come with the Deluxe Charter Pack, along with two 50 m floating stern lines, and you'll find snorkelling equipment on board too. If you'd like a stand-up paddleboard (SUP), you can add one as an optional extra. We can't wait to welcome you aboard Aquilo.
