About

Artemis has been appointed with 4 double cabins and a single berth, port forward, to accommodate a maximum of nine guests. All double cabins are air-conditioned along with the salon. As on all of Lagoon's new-generation catamarans, the decision to position the mast step further aft, provides the 46 with multiple advantages: - Bringing the mast further aft reduces the length of the boom, increases the mainsail aspect ratio and thus its efficiency. Sourced from the operator listing page; facts not invented.

Specifications
