About

Azalea is a 41-metre steel-hulled private motor yacht based in Malé, cruising all twenty-six atolls of the Maldives year-round. Commissioned in 2017 and refined every season since, she offers nine en-suite cabins for up to 18 guests across five decks, looked after by ten crew including a captain who has navigated these atolls for years, local dive masters and an ocean-to-table chef. A dedicated dive dhoni (PADI-certified operation, Nitrox available) accompanies the yacht, alongside jet skis, Seabobs, e-foils, kayaks, paddleboards, a waterslide and sea pool. Sample routes run from four nights in the central atolls (Ari's whale-shark grounds) to seven nights north to Baa's UNESCO biosphere and ten nights to the deep south (Fuvahmulah, Addu). Chartered by one group at a time, with airport meet-and-greet at Velana International.

Specifications
