About

Excess 11 â Be Happy (Owners Version) Launched in early 2024, Be Happy is a superb Excess 11 owners version designed for both performance and comfort, offering an ideal platform for exploring the islands and lagoons of French Polynesia. The entire starboard hull is dedicated to a magnificent private owner's suite, featuring a sumptuous 2m x 2m bed, a bright and comfortable study space, and a spacious en-suite bathroom with a separate shower. This exclusive layout provides a peaceful retreat that feels more like a boutique hotel than a catamaran. The port hull accommodates two inviting double guest cabins that share a modern bathroom, allowing Be Happy to welcome up to six guests in comfort and privacy. The interior is fully equipped with all household essentials, from linens to kitchenware, so guests can settle in effortlessly. Be Happy is prepared for adventure and remote cruising, with solar panels for reliable energy production, a watermaker to ensure freshwater independence, and a dinghy with outboard engine for easy access to beaches, motu, and snorkelling sites. Optional paid extras include stand-up paddleboards, fishing equipment, Starlink communication, code zero sail, and one-way charters, allowing you to start your cruise in one island and finish in another. Excess catamarans are built to sail and to live aboard comfortably, and Be Happy embodies this

philosophy perfectly. Responsive, fun to helm, and beautifully balanced, she offers an authentic sailing experience while providing generous living spaces, natural light, and excellent ventilation. Whether cruising between islands or relaxing in a turquoise lagoon, Be Happy delivers the perfect blend of adventure, comfort, and style for an unforgettable charter.
