About

Rent this wonderful boat, the "Blumax Beaje - Diva," to experience an unforgettable day with friends or family on the waves! Explore the Livornese coast in the best possible way aboard a comfortable motorboat! The "Blumax Beaje - Diva" is a spacious and roomy Blumax 19 open boat, equipped with large lockers, awning, ample sunbathing area at the bow, aft sofa, and a reliable 40/75 horsepower Thoatsu outboard engine with single-lever control, all from 2024. No license or permit is required for driving, as it is a very easy boat to maneuver. It is provided with all the comforts that ensure a very pleasant stay on board. At the helm, it has an awning to protect you from the sun, allowing you to enjoy some shade during the hottest hours of the day, while at the bow, you will find ample sunbathing space. The helm position is very comfortable, the controls are simple and intuitive, and on board, you will also find a ladder for getting back on board from the water. It is an agile and high-performing vehicle ideal for those who do not have a boating license but do not want to miss out on enjoying our magnificent sea. This boat is definitely sturdy, reliable, and easy to drive, ideal for any type of excursion at sea, whether it's for a scuba diving trip or to fully enjoy the thrills that only the open sea can offer. With this fun and agile motorboat, you can spend an exciting day sailing along the Livornese coast or go admire the beauties of the Meloria shoals. This boat has a total capacity of 8 people and is ideal for a day at sea for family or a group of friends. Explore the Sea with Elegance Onboard the Diva, an experience designed to give you timeless memories on the waves. Rent this newly launched boat and let yourself be transported on a unique marine adventure. the Livornese coast or to admire the beauties of the Meloria shoals. All three of our boats are identical, differing only

in engine power: Diva - Blumax Beaje and Nemo - Blumax Blue are equipped with a 40/75 horsepower Thorsen engine with single-lever control, while Nemo - Blumax Red is equipped with a Mercury 40 Efi Pro engine with steel propeller and classic single-lever. Number of people on board On our boat, it is possible to carry up to a maximum of 8 people; however, thanks to the size and generous spaces of our boat, even with 8 people on board, you can enjoy the journey in complete tranquility and comfort. On-board equipment The boat has all the mandatory equipment by law and is also equipped with a 4kg anchor, ample sunbathing areas both at the bow and aft, a boarding ladder, horn, navigation lights for night navigation, table, complete engine instrumentation, Smart Craft, and two large 30-liter tanks to ensure maximum autonomy safely during your navigation.

***Where We Are*:** You can find us at the Bagni Pancaldi Acquaviva, located at Viale Italia 62, in the heart of Livorno's seafront. It borders the Mascagni Terrace, offering a breathtaking view of the Tuscan islands and Corsica. In front of us lies the Meloria Park, one of the closest points, further enriching the beauty of the surrounding landscape. It is an elegant and regenerating place with impeccable services and a delightful view of the sea. At our establishment, customers can take advantage of a range of services for the cost of an 8 euro ticket. They can take a refreshing shower upon their return, enjoy the pool, rent umbrellas and sun loungers, access the beach and children's play area, use the football field for a quick game, or take a dip in Livorno's oldest and largest bathing establishment. This Boat is authorized to operate in the Meloria Shoals Marine Protected Area. Our boat is authorized to enter the Meloria Shoals Marine Protected Area. This area, located in the northwestern basin of the Mediterranean, is only 3 miles from the Livornese coast. The Meloria Shoals not only offer an extraordinary naturalistic experience but are also rich in history and archaeology. Their importance dates back to the 12th century when the Maritime Republic of Pisa built the first tower to signal the shallow waters of the ancient Porto Pisano. Today, the tower has been restored and still represents a popular destination for boat excursions by Livornese residents. During our excursions, it is common to spot dolphins traveling these routes, as the Meloria Shoals are located within the cetacean sanctuary. This makes the experience even more exciting and memorable for our guests. We are proud to offer this unique and authorized experience, guaranteeing our customers the opportunity to fully explore and appreciate the beauty and historical richness of this extraordinary marine sanctuary. Boating License: You do not need a license to drive our boat; you only need to be 18 years old. Our vessel is authorized to navigate within 3 miles from the coast (almost 12 km). Satellite Tracking: Our boat is equipped with a GPS tracking system; the system allows real-time tracking of the boat. This safety device allows the customer to always feel safe and allows us as lessors to have an immediate position of the boat and evaluate any problems or zone trespasses. However, the possibility of rental with an accompanying person or skipper is offered. Rental without driver: If you are looking for a sea adventure, renting a rubber boat is for you. Seven kilometers of pristine coast hiding caves and small bays of unparalleled beauty. Rental with skipper on board: Do you want to experience the freedom and autonomy of a day on a rubber boat but without worrying about navigation rules, anchorages, or routes? Do you

want to just have fun without any worries? Then choose our "Rental with driver" formula. Our skipper will take care of everything; the only thing left for you to do is relax and enjoy a memorable day on the Tuscan coast. There are many unique points around us to see and absolutely not to be missed with a day on a boat. ***Fuel is excluded from the price; it must be paid on-site according to consumption***
