About

Our Bernis gulet was built in 2022. This luxury gulet, which is 18 m long and 5.5 m wide, provides blue voyage services to our valued guests with its 3 crew. Our yacht has a total of 3 cabins, 1 Master Cabin and 2 Double Cabins, which are comfortable and luxurious, each cabin has its own WC and air conditioning. It has 300 HP engine power and 17 kVa generator. Our boat anchors in 2 bays a day in Gökçe bays. Our prices include captain, cook and deckhand services. Boat fuel within the Gocek region is included in the price. 4 hours of air conditioning per day on our boat is included in the price. Fuel is extra for remote route requests and rental requests outside the Gocek region.

In-route rentals are for at least 3 days or more. Off-route, remote route rental requests are for at least 1 week. Bernis gulet boat has equipment such as air conditioning, canoe, paddleboard, water sports, generator, watermaker, cinema projector, ice machine.

There is private living space for the crew, a fully equipped kitchen, and indoor and outdoor areas for dining and relaxation. There are enough sun pads, chairs and services for every guest. Built to provide our guests with comfort, luxury and peace at the same time, this yacht can reach a speed of 9 knots. For those who want to stay connected, Wi-Fi service is available on our boat. Our boat offers the opportunity to have fun for our guests who want to enjoy the Blue Voyage in the untouched bays of Gocek. *The mooring fee for the mooring buoys (âmapa amand~raâ) located within the Gökçe Bay, which has been implemented by the Ministry of Environment, Urbanization and Climate Change, is not included in the charter price. For detailed information regarding this regulation and the applicable fees, please feel free to request further information.
