About

Bikini Bottom is the second Elba 45 to join our fleet and is one of the most beautiful, well-designed boats to come out of the Fountaine Pajot factory. This luxury catamaran is made to delight the eye and take you by surprise. The harmonious layout of its living quarters will mesmerize any enthusiastic yachtsman. Dynamic and stylish, the helm of the Elba 45 offers easy maneuverability and outstanding performance. A true cruising catamaran that feels just as comfortable as home. Elba 45 - Accommodations This three-stateroom version has a spacious owner's suite in one hull and two queen-size guest beds in the opposite hull, each with its own ensuite head and separate shower. The salon is bright and spacious and is a very enjoyable place to relax and spend time. The skylights overhead provide a clear view of the sails. Large sliding doors open to the cockpit area extending the space into one large gathering spot. Bikini Bottom boasts an impressive range of outdoor space including a large dining area in the cockpit, the roomy flybridge, and lounging area on the foredeck. Performance The new hull design of the Elba 45 offers 10% less drag than the Helia, thanks to a small chine in the aft section and remodeled transom. The result is better performance at medium to high speeds and much more efficient motoring.
