About

Bali 4.0 Catamaran â Comfort in a budget The Bali 4.0 is the first model in Catana Groupâ s revolutionary series of catamarans, designed and launched in 2016. It combines comfort and functionality. The catamaran boasts a distinctive fore cockpit, a comfortable area for relaxation with stunning views. At the aft, there is the signature â Bali-doorâ that flips off, creating a seamless layout that, comparing with large openings allows excellent ventilation and lighting throughout the vessel. Bali 4.0 ifeatures four double cabins, each with private heads, along with two skipper cabins, accommodating up to ten passengers comfortably. For added luxury, it also includes an XL bimini top, a spacious upper deck and sunbathing area. The new wooden details in the interior add a touch of elegance and high-end aesthetics. Other upgrades done, is new waste tanks system, generator, air-condition, water maker and inverter, allowing passengers to enjoy all the comforts of an autonomous journey.
