About

The CATSPACE is a 40-foot catamaran that combines all the innovations expected from a BALI. Her inverted bows, a signature element of models in the BALI range, offer a pronounced design. The integral deck allows for fluid circulation between the various spaces and ease of moving around while under way. The â BALI doorâ amplifies the living space of the saloon-cockpit area. Thanks to the large windows, the interior is bathed in light.

Specifications
