About

Bunny Girl is a beautifully maintained Bavaria 40 Cruiser, thoughtfully upgraded to provide exceptional comfort, reliability, and performance. Accommodating up to six guests in three spacious private double cabins, she is an ideal choice for families, couples, or friends seeking an unforgettable Ionian sailing holiday. The forward owner's cabin features a comfortable island queen berth, seating on both sides, two hanging lockers, and a private ensuite bathroom with a hot and cold shower. Two generous aft double cabins share a second bathroom, also equipped with a shower, ensuring comfortable accommodation for all guests. Below deck, the bright and airy saloon is filled with natural light from the large side and forward windows. The well-equipped galley is conveniently positioned to port, while the comfortable U-shaped seating area and dining table create an inviting space for dining, relaxing, or planning the next day's adventure. For the current season, Bunny Girl has benefited from a significant programme

of upgrades, including the installation of a brand-new 50hp engine, providing smooth, dependable performance and enhanced manoeuvrability. A comprehensive electrical system upgrade has also been completed, featuring new lithium batteries, a new powerful 3000watt inverter and an upgraded solar panel system, delivering excellent onboard power and increased energy independence while at anchor. The galley has been further enhanced with a brand-new cooker, while the interior upholstery has been recently renewed, giving the yacht a fresh, modern feel throughout. On deck, Bunny Girl combines excellent sailing performance with effortless handling. She is equipped with a mainsail and genoa, providing responsive and enjoyable sailing in a wide range of conditions. The spacious cockpit has been designed with both comfort and practicality in mind, offering long bench seating, high coamings for excellent back support, and a central cockpit table with folding leaves, creating the perfect setting for alfresco dining or relaxing after a day on the water. Twin helm wheels provide unrestricted access through the cockpit to the stern, where a large fold-down bathing platform offers easy access to the sea for swimming and watersports. To enhance your experience ashore and at anchor, Bunny Girl is supplied with a premium Highfield rigid inflatable tender powered by a quiet, efficient electric outboard, making trips to secluded beaches and waterfront tavernas both effortless and environmentally friendly. Her elegant deck-saloon windows, sleek coachroof, and uncluttered foredeck create a timeless, contemporary profile that is matched by her spacious and thoughtfully designed interior. With extensive recent upgrades, modern onboard systems, stylish accommodation, and Bavaria's renowned sailing characteristics, Bunny Girl offers an exceptional combination of comfort, performance, and reliabilityâ making her the perfect yacht for a memorable and carefree Ionian sailing holiday. Please note: If you are booking a bareboat charter (without one of our skippers) we require a 2500 Euros refundable security deposit. As part of check-in, we ask that you complete

and sign a credit card security form. This would only be retained in the unlikely event of major damage to the boat.
