About

M/Y Deniz Sultan is a 2023-built motor yacht that blends the timeless hull lines of classic American lobster boats with modern fiberglass construction, delivering a dry, stable, and confident ride in the Bosphorusâ challenging and fast-changing conditions. Powered by a single Yanmar 370 HP engine, she reaches an impressive top speed of 35 knots, clearly setting her apart from conventional leisure yachts and positioning her as a true fast transfer and premium day-boat solution. With an overall length of 11 meters, Deniz Sultan offers excellent maneuverability near the shore and during dockings, while her practical layoutâ featuring one cabin, one WC, and one showerâ comfortably meets short-term cruising needs. Limited to six guests, she prioritizes a calm, controlled, and refined onboard experience.
