About

Following in the lineage of the Sun Odyssey 409 and 439, the Sun Odyssey 379 leverages the characteristics of the Jeanneau range's evolution. Retaining the key elements of its predecessors, it offers an optimized and modern approach. With a hull and deck design by Marc Lombard, this sailboat emphasizes performance, maneuverability, and ergonomics, while adopting a sleek and contemporary aesthetic. A sailboat designed to live in sync with the Breton tides. This weighted centerboarder, available for rent from Saint-Quay-Portrieux, is equipped with 3 cabins, a shower/toilet, hot/cold pressure water, and a refrigerator. It can comfortably accommodate up to 8 people, with its three cozy cabins, a very bright convertible saloon, and a highly comfortable cockpit. You will explore the most beautiful spots and landscapes of North Brittany thanks to its weighted centerboard version. Depending on the tides, this Sun Odyssey 379 will easily settle on its winged keel and double rudder. Also available for rent is a performance version of the Sun Odyssey 379 fin keel. Both are equipped, for practicality and safety

reasons, with a Sailproof tablet, allowing you to keep an eye on the chart while outside, whether at the helm or under autopilot. You will easily maneuver this Jeanneau sailboat thanks to its full-batten mainsail, roller-furling genoa, as well as its removable stay and solent for windy conditions. Equipped with a complete electronic set, including AIS, a dodger, and even a bimini, this boat offers a worry-free sailing experience, ideal for beautiful and unforgettable adventures at sea. This sailboat will allow you to sail with confidence, whether along picturesque coastlines or on more ambitious crossings.
