About

Our sailboat is located in Achillio, a charming little fishing village on the Gulf of Volos with all the amenities to start your trip (water, electricity, market, free parking). From our base you can combine several exceptional North Aegean destinations for a great sailing holiday. The biggest attraction of this region are certainly the islands of the Northern Sporades (Skiathos, Skopelos, Alonnisos and Skyros). But the Gulf of Volos and especially the mountainous peninsula of Pelion also have a lot to offer sailors, including original fishing villages and impressive nature. DEEP BLUE with all the amenities it has, specially designed for families or even for groups of friends, will make you live an unforgettable stay and experience. Get ready for the vacation of a lifetime!
