About

The "Ella," built in 2024, is a cruising catamaran from the prestigious Lagoon shipyard. Measuring 14 meters in length and 8 meters in beam, it represents the pinnacle of luxury and comfort, offering every possible amenity in a recreational vessel. It features four Italian-designed cabins to comfortably accommodate up to eight guests, each with air conditioning, en-suite bathrooms, and electric toilets, plus two crew cabins. Its spacious, bright, and comfortable saloon is also air-conditioned, as are the cabins. The vessel is equipped with a watermaker to eliminate the need to return to port to refill the freshwater tank, an independent 220V generator, a 220V inverter, a refrigerator, a freezer, a gas oven, a microwave, a stove, a capsule coffee machine, Wi-Fi, a sound system with Bluetooth, snorkeling equipment, a paddleboard, and a 2.9-meter semi-rigid dinghy with a 20 HP engine. Spacious flybridge with a sun deck and various distinct areas for relaxing and soaking up the sun, or as a play area for children. The cabin, with its teak flooring and excellent sun protection, connects to the galley and saloon. For your comfort on board, the yacht has an experienced skipper and a hostess as crew to ensure your vacation is as enjoyable as you can imagine. And if you'd like your onboard dining experience to be truly unforgettable, hire our chef. The perfect way to enjoy a

dream vacation with family or friends in the paradisiacal setting of the Balearic Islands, a world-renowned tourist destination.
