About

How can you enjoy life at anchor as much as sailing? With the innovative flared hull design of the Oceanis 40.1, and steps extending over a third of the bow, BENETEAU has broken new ground but made no concessions. The result is a hull that has true speed potential and is stiff under sail. Above the waterline, her deck plan and ultra-spacious interior by Nauta Design is unheard of on a boat this size. You cannot help feeling that you are aboard a 45 foot cruiser!
