About

With her new visual identity, the Lagoon 40 immediately stands out. A new generation of Lagoon, recognisable at first sight by the chamfer running from bow to stern. A symbol of the new generation Lagoons, the 40 performance features includes an increased sail area that provides a better sail surface area / displacement ratio. The decision to position the mast step further aft, provides this catamaran with multiple advantages: a main sail with a high aspect ratio, enabling better airflow in the upper parts of the sail. Sourced from the operator listing page; facts not invented.

Specifications

Destination: British Virgin Islands

Builder: Lagoon
