About

The Oceanis Clipper 311 DL (with a tiller version) is a superb sailboat with undeniable comfort. Its two cabins, along with a convertible saloon, allow it to accommodate up to 6 people on board, making the Oceanis Clipper 311 DL perfect for a cruise with friends or family. A family cruiser with the dynamic hull of the First 31.7, in a weighted centerboard version to live in sync with the tides of North Brittany. The tiller is smooth in all conditions, and its twin rudders provide great ease of maneuvering without losing stability while heeling. This monohull does not overlook performance under sail and will safely accompany you along the stops in our region. Once the centerboard is raised, the boat can settle gently on its winged keel and its two rudders without even needing to be tilted. Equipped with a roller-furling genoa, a mainsail with two reef points, an asymmetrical spinnaker, and an electric windlass, you will enjoy the beauty of the Breton coast in comfort.
