About

"Fabiana" is a 2022 Prestige 520S, a yacht that embodies the essence of elegance, space, and comfort in the luxury sport cruiser category. It combines refined design, exceptional onboard comfort, intelligent solutions, and excellent marine performance, making every cruise from Pozzuoli to the gems of the Gulf of Naples and the Amalfi Coast an unforgettable experience. This yacht, with its modern and distinctive design, measures approximately 16.11 meters in length and 4.50 meters in width, offering ample indoor and outdoor spaces to comfortably accommodate up to 12 guests for day trips. Powered by two potent Volvo Penta IPS 650 engines (2x480HP), it ensures smooth, efficient, and incredibly maneuverable navigation thanks to the IPS system with joystick

control. The cockpit and the main salon, connected by a large retractable glass door, are the heart of life onboard: a spacious convertible sunpad aft invites relaxation, while the cockpit dinette is perfect for outdoor lunches and dinners, conveniently served by the fully equipped main galley inside. The large electric opening Hard Top above the salon allows for modulating sun and shade, enjoying the open air in all conditions. The spacious hydraulic stern platform facilitates access to the sea, transforming into a veritable private beach. The high-quality audio system, equipped with Bluetooth connectivity and multiple speakers, allows you to enjoy your favorite music in different areas of the boat. At the bow, a second generous sunpad offers additional space to relax and enjoy the navigation and the view. Below deck, the "Prestige 520S" surprises with the brightness and spaciousness of its interiors, offering a high level of comfort. It features 3 separate cabins (1 spacious full-beam master cabin midship, 1 VIP cabin forward, 1 twin cabin with single/joinable beds) and 2 full bathrooms with separate showers. High-quality finishes, precious materials, and meticulous attention to detail create a refined and welcoming atmosphere. Onboard amenities include air conditioning (hot/cold) in all areas, Smart TVs in every cabin and the salon, adjustable LED lighting, scenic underwater lights, and a practical Nespresso coffee machine. "Fabiana" is a high-performance and comfortable yacht, with a cruising speed of approximately 21 knots (indicative consumption ~130 liters/hour) and a maximum speed of approximately 29 knots. It is ideal for exploring Procida, Ischia, Capri, the Sorrento and Amalfi Coasts, departing from its base in Pozzuoli or other ports upon request.
