About

This elegant motor yacht from the new Italian designer shipyard Italyure Yachts is perfectly equipped and leaves nothing to be desired. It is the ideal boat for all charter guests who do not want to go unnoticed in the bays around Mallorca. A modern design, high-quality materials and maximum comfort are guaranteed on this charter yacht. Easy driving fun and high performance are provided by two 350 hp outboard engines. The bow thruster allows easy manoeuvring even in the narrowest harbours of the Balearic Islands. Even at high speeds, the hull glides through the wave in a stable and dry manner. The large cockpit of the ME Daycruiser 38 with teak deck invites every charter crew to enjoy. The chic carbon roof above the steering position houses the shading for bow and stern, providing shade or sunbathing areas as desired. Between the double helm seat and the cockpit table in the stern, the large outdoor kitchenette with electric cooker, sink and second refrigerator fits in. The cockpit table with benches comfortably seats 6 people for eating and drinking. In the bow there is a large sun lounger and further benches. The complete cockpit rim is also made of teak and offers additional seating space. So everyone on board will find their favourite spot, whether you navigate in Mallorca, Ibiza, Formentera or Menorca. Pair your music with the on-board sound system and cast off. For Mallorca's long nights, below deck on the ME Daycruiser 38 are two double cabins, a bathroom with separate shower and a kitchenette with fridge. This means that up to 4 people can sleep comfortably on board. Maximum comfort on board the ME Daycruiser 38 is also guaranteed by the air conditioning (usable with shore power). Equipment: Bow thruster, air conditioning, outside galley, cockpit fridge, electric anchor winch with anchor chain counter and much more. Also in day charter! Bookable

online on a daily basis!
