About

Measuring 8.30 meters in length, the First 27.7, designed for cruising and racing, offers exceptional maneuverability and remarkable stability, making it ideal for both experienced sailors and beginners. Its modern design and sleek lines will appeal to sailing enthusiasts. With a draft of 2.20 meters and a generous sail area, the 27.7 is a lightweight, agile, and high-performing boat. The optimized deck layout provides great ease of maneuvering with a small crew. A winning cruising racer of the "European Yacht of the Year" award, the interior of the Beneteau First 27.7 can accommodate 6 people with its 6 sleeping spaces (a double cabin at the rear, an open double cabin in the bow, and two berths in the saloon). Despite its size, its intelligent layout maximizes space to provide optimal comfort: a toilet, a saloon, and a kitchen with gas and a cooler (no refrigeration unit). With a very recent set of sails, the First 27.7 will impress you. It is also equipped with an asymmetrical spinnaker on a bowsprit. Like many cruising

racers, its weight has been meticulously studied. As a result, you won't find unnecessary equipment such as an electric windlass, an outboard motor, or storm sails. NEW FOR 2024: New mainsail, roller-furling genoa, and lazy bag for an even more high-performing sailboat.

Specifications

Destination: Saint-Quay-Portrieux
