About

FLO is a NEEL 47 trimaran, a rare and prestigious vessel that stands out as the only trimaran available for charter in the Egadi Islands area. Measuring 14.2 meters in length and 8.3 meters in beam, this innovative multihull blends exceptional sailing performance, luxurious comfort, and cutting-edge design, making it ideal for both short escapes and extended cruising. Built by NEEL Trimarans and designed by Marc Lombard Yacht Design Group, FLO offers unparalleled stability and generous living space, thanks to its unique three-hull architecture. The boat features a bright and modern layout with 3 cabins, 2 bathrooms, a spacious salon with panoramic views, and expansive outdoor areas â including a wide cockpit and a forward sun deck perfect for sunbathing and relaxation. Technically, FLO is powered by a 60 HP inboard diesel engine, with a cruising speed of approximately 7 knots and a potential maximum speed of 15â 18 knots under sail. It has a fuel tank capacity of 300 liters, fresh water capacity of 600 liters, and an upwind sail area of 120 m², combining a 70 m² mainsail and 50 m² genoa. The vessel is constructed with GRP and Airex PVC foam core, ensuring durability and performance.
