About

The Oceanis 30.1 is easy to sail but lively to helm and promises new experiences and thrills. This robust little smart cruiser is small enough to trail, opening up endless possibilities for sailing on coastal sailing and high sea adventures. An extremely comfortable cockpit, two wheel rudders and aft, the sea is accessed by a simple step completed by a lifting platform. With a few extra centimetres won in strategic places the Oceanis 30.1 differs from other boats, thanks to a headspace of 1.98 m in all the places inside where it is comfortable to stand. The two good-sized double cabins each have berths running lengthwise and an open entryway making them feel particularly spacious. The two benches in the saloon provide an additional place for two extra berths. The large shower room is divided into a marine toilet on one side and shower and washbasin on the other. At the foot of the gently sloping companionway, the L-shaped galley has top and bottom storage, a 75-litre refrigerator and a real oven under the gas hob.
