About

The Lagoon 46 "Galaxy" is a luxurious sailing catamaran built by the French shipyard Lagoon. This yacht measures 46 feet in length and offers a spacious and comfortable interior, making it an ideal choice for extended cruising with family and friends. The interior of the Lagoon 46 "Galaxy" features a modern and stylish design with ample natural light and ventilation. The yacht has four cabins, each with its own ensuite

bathroom, providing plenty of privacy and comfort for guests. The saloon is also spacious and airy, with a fully equipped galley and plenty of seating for entertaining. The yacht is equipped with a range of high-end features to ensure guests have a comfortable and self-sufficient experience while on board. These include air conditioning, a generator, a watermaker, and a hydraulic tender lift. The yacht also features a large flybridge with ample space for sunbathing and enjoying the panoramic views. The exterior of the Lagoon 46 "Galaxy" is equally impressive, with a spacious cockpit that offers plenty of seating and a large dining table. The cockpit also features an electric winch for easy sail handling, making it easy to handle the yacht even with a small crew. The yacht has a powerful rig, which ensures excellent sailing performance and speed. The Lagoon 46 "Galaxy" is powered by two Yanmar diesel engines, which provide a cruising speed of around 8 knots. The yacht also features modern navigational and safety equipment, including GPS, radar, VHF radio, and life jackets. Overall, the Lagoon 46 "Galaxy" is a well-designed and well-appointed sailing catamaran that offers exceptional comfort and performance for extended cruising. It is an ideal choice for those who want to explore the world's oceans in style and comfort.
