### About

Welcome aboard the Sun Odyssey 379 fin keel version, an exceptional sailboat that combines elegance and performance for an unforgettable sailing experience. With its length of 11.34 meters, this sailboat offers the perfect balance between comfort and maneuverability. Ideal for sailing enthusiasts seeking maritime adventures, its modern and sleek design conceals a spacious and bright interior, providing all the comfort needed for a relaxed cruise with family or friends. The Sun Odyssey 379 (Jeanneau) can comfortably accommodate up to 8 people, with its three cozy cabins and convertible saloon. The spaces and layout of this sailboat have been designed to facilitate life on board during rentals. The saloon and cockpit offer spacious areas, while the bright interior and well-equipped galley make life aboard easy, whether in port or at sea. A "performance" sailboat for even more thrills on the water. With a draft of 1.95 meters, the Sun Odyssey 379 will impress you with its performance both upwind and downwind. This

"performance" version is a great success for the Jeanneau shipyards, notably thanks to its two steering wheels mounted on a hull with hard chines at the stern. This sailboat will allow you to sail with confidence along the Breton coast for coastal cruising or on more ambitious crossings to the Channel Islands, the Scilly Islands, the Isle of Wight, or Cornwall. Equipped with a symmetrical spinnaker on a pole, a full-batten mainsail with two manual reef points (with a third to be rigged), a roller-furling genoa, a removable stay for the solent, an electric windlass, and a lazy bag, this sailboat definitely combines performance, safety, and comfort on board. The Sun Odyssey 379 is also available for rent in a weighted centerboard version, perfect for grounding. Both are equipped, for practicality and safety reasons, with a Sailproof tablet, allowing you to keep an eye on the chart outside, whether you are at the helm or under autopilot.
