About

The institution The XL has 2 separate bedrooms with a double bed and a double sofa bed and can therefore accommodate 3x2 people. The separate bedrooms allow you to keep sleeping and living perfectly separate. There is also a luxurious hot water shower on board. To make sailing away and mooring a lot easier, the Comfort Class XL has a bow thruster. As an extra option, the XL has a roof terrace that can also be comfortably reached via a spacious spiral staircase. Here you can optimally enjoy the view over the beautiful Maas valley. Due to its good insulation, the XL is also very suitable for renting in the winter, and you are guaranteed to always be warm. And because the rudder is outside, there is extra space inside! What you need to bring: Towels, duvet covers, hygiene items, detergent, food, drinks and of course a good mood! You also have the option to book duvet covers and towels (bed and bath linen) with your reservation. Due to possible damage to the deck and for your safety, only shoes with a rubber sole may be worn on a house boat.
