About

Take a trip of a lifetime aboard a Greek Goddess with Sail in Greece this yearâf sun, sea and a super luxurious yacht, all on a budget! What more can you ask for? For those of you who know your Greek mythology, youâ ll know that M/S gulet Hemera was the ancient Greek primordial goddess (protogenos) of the day. Sail in Greece have just acquired their own piece of heaven in the â eye-catchingâ form of a 30 metre long motor sailor yacht. They have justly christened her as M/S gulet Hemera. Please inform guests, that our gulet operates only with the engine and we do not use the sails. M/S Hemera boasts a spacious sun deck â perfect for soaking in the rays, a wide interior lounge room made cosy with cushions galore, a sumptuous dining area and an inviting bar. Once youâ ve topped up your tan, move inside to mingle with other group members, play fun games or read a book from their library. With a private bar also at your disposal, these gatherings can often get quite merry as the day goes onâf The English speaking crew are there to meet your needs and ensure you all have a fabulous time. A typical example of

one of their Greek captain's is Bill (aka Captain Nemo), who has spent his whole life sailing in Greece. He's bound to have many a good story to share! And, for those of you who like to keep connected, there's no need to feel isolated at sea! Gulet Hemera offers 3G WiFi on board too, subject to limitations. All aboard! We're feeling very impressed by this goddess of a gulet, which operates exclusively on the Sail in Greece gulet cruises, and is also available for private hire if you've a group who'd like a tailor-made cruise in the Greek islands. All cabins are ensuite with a/c , 9 doubles(comfort at its finest!) Prices are affordable too and you can be sure this will be money well spent. Whatever you choose, M/S gulet Hemera will float you directly into the docks of Heaven, offering up an experience of a life-time, as well as a glorious suntan any Greek God would be proud of!
