Positioned centrally in the Ionian Sea, Lefkada serves as an ideal launching point for your exploration. From here, you can effortlessly sail either south or north, adjusting your course according to wind and weather patterns. Sivota Bay itself is a charming and picturesque locale in the southern part of the island, offering a unique opportunity to start and end your sailing adventure in one of Greece's most idyllic setting. Situated approximately 15 nautical miles south of Marina Lefkas, you'll enjoy the advantage of sailing ahead of the majority of other charterers. This allows you to discover typically more crowded destinations, such as the enchanting village of Fiscardo on Kefalonia, as early as

Saturday evening. Moreover, by returning to our base in a serene bay on Friday night instead of a bustling marina, you'll gain an extra day to savor the delights of being onboard and exploring the surrounding beauty.
