About

Our boat is a 2022 Model and is regularly maintained every year. Our boat has many equipment that guests may need. Most important features - Generator (Contact the Company regarding usage time) -WaterMaker Meeting the need for clean water at sea is extremely

important for guests. - Lithium Lifepo4 Battery system Meeting energy needs for a longer period of time means running fewer generators and fewer engines. - Solar Panel We obtain energy from the sun with the Solar panel system that meets all needs on the boat. - B&G Chartplotter The entire electronic infrastructure of the boat has B&G electronic systems. Up-to-date map information and remote control and autopilot control offer a very comfortable journey.
