About

The Prestige M48 Italia IV is a luxury power catamaran launched in 2025, designed to offer a refined cruising experience along the Italian coast and throughout the Mediterranean. With a length of 14.79 meters and a beam of 6 meters, this vessel provides generous indoor and outdoor spaces, along with exceptional stability thanks to its multihull configuration. It is powered by two Volvo Penta D4 engines, each delivering 320 horsepower, combined with a V-Drive system and joystick control for easy maneuvering. The M48 offers a comfortable cruising speed of around 15 knots and a top speed of approximately 20 knots. At a reduced speed of 8 knots, the yacht can achieve a

range of up to 600 nautical miles, with fuel efficiency up to 20% better than a monohull of similar size. The interiors of the M48 Italia IV are designed to accommodate up to 8 guests in 4 double cabins, each with its own en-suite bathroom, in addition to a crew cabin with a separate bathroom. The exterior spaces include a spacious, covered flybridge featuring a sunbathing area, U-shaped sofa, and a removable table; an electric, multi-position swim platform, ideal for use as a beach club or tender lift; a forward sunbathing area with adjustable backrests; and a roomy cockpit with a wooden table and teak decking.
