About

Filippetti Flybridge 76 JOY is the essence of charm and comfort. The heartbeat of the Filippetti Flybridge 76 is elegance. A revolutionary concept has been designed to satisfy the most refined and demanding owners. In this context, space becomes an essential element of naval architecture: it presents a living area on the main deck with dimensions never seen before and invents the external bow resignation. The exterior of the Flybridge 76 stands out, fine and elegant is a glance on the horizon: it has a dinette and external cushions covered with fabrics of great value. The interiors, spacious and comfortable, offer a relaxing navigation. Below deck, the Filippetti Flybridge 76 JOY has 4 cabins, all equipped with every comfort: en suite bathroom, LCD TV and a spacious wardrobe. Those looking for peace and tranquility can rest comfortably in the flybridge: climbing two comfortable stairs can access the upper deck and enjoy the thrill of navigation, the sea breeze and the relaxation offered by the large areas available.
