About

BENETEAU OCEANIS 51.1 With taut lines, a new stepped hull and a stylish deck plan, the Oceanis 51.1 is the first of a new generation. Easy to handle, comfortable and smart, the number of customizations available has been increased to provide more than 700 combinations. **EXTERIOR DESIGN** One third of the Oceanis 51.1's hull is now stepped. In addition to the aesthetics of this flared shape, the new hull creates additional interior space allowing for exciting new layouts on a boat this size. With emphasis on taut cruiser lines, she is a joy to move around and reassuringly safe. The spacious

cockpit, many relaxation and sun bathing areas, as well as an aft swim platform, promise true comfort. FIRST LINE Fitted with an extra-long carbon or aluminium mast, the Oceanis 51.1 First Line has up to 35% additional sail area in high-tech materials. The boat has a 2.8 m lead bulb keel in this high performance configuration. This reduces weight and hydrodynamic drag. To complete this version, a composite steering wheel, top-of-the-range deck fittings and boomsprit marry speed and cruising and promise exciting new sensations. INTERIOR DESIGN The large hull portholes bathe the boat in light and elegantly emphasize the interior design by Nauta Design creating a wonderful atmosphere. A choice of brushed oak or mahogany woodwork ambiances increases the opportunities for customization. SMART The furling mast, self-tailing jib and all the halyards and sheets on the standard model are all brought back to a single winch at each of the helm stations, making her simple and easy to sail. As for harbour manoeuvring, Dock & Go technology simplifies everything. THE HEIGHT OF COMFORT The architectural choices that stand out on the Oceanis 51.1 are reflected in her habitability and an incredible amount of space. Inside, the owner cabin has an en-suite shower room and toilet, and a 1.6 m wide island bed. A fully-fitted U-shaped galley has many convenient appliances. Truly a space to enjoy together, it is as pleasant to use under sail as it is at anchor.

Specifications
