About

With a wishbone mainsail and Mylar sailsâf KOKOZENN 2 has character! Loc Voile Armor invites you to board this fantastic sailboat, which has convinced more than one sailor! Sold in over 1,000 units in less than 10 years, the Sun Odyssey 349 has won over many boaters. The Performance version adds numerous options that make it an exceptional boat, a good performer, and comfortable. Its bow thruster will make port maneuvers easier, and the Code D on a furler allows for a nice headsail to be deployed safely, even with a small crew. For our region, an external chart plotter is not an option, which is why you will find an 8-inch Raymarine screen at the starboard helm. Worried about cranking 100 times to raise the centerboard? No worries, the hydraulic motor takes care of it for you, allowing you to achieve a draft of 1.26m and get closer to the shore for swimming or overnight stays. In summary, Loc Voile Armor offers you a comfortable and fast sailboat, at its highest level of finish.
