### About

Bali Catspace â Redefining Comfort and Innovation in Catamaran Sailing Bali Catspace offers an unparalleled sailing experience, combining performance, comfort, and innovation in one sleek design. Built by the prestigious Catana Group, this catamaran

stands out for its spacious and open-plan layout, providing smooth access throughout the vessel. The innovative design integrates a large, forward cockpit with lounge and sunbathing areas, enhancing relaxation while at sea. The fully open saloon and seamless flow from the interior to the deck provides a sense of space and connection with the ocean that's hard to find elsewhere. A new feature is an extra couch/bed in the 2 aft cabins. The flybridge boasts a generous seating area and a helm station designed for easy handling and maximum visibility, making navigation a breeze, even for short-handed crews. Highlights of its equipment are generator, air-condition, water-maker, inverter, enabling self-sufficiency and comfort on board so you can enjoy extended trips without frequent stops for resupply, in the crowded ports of Ionian.
