### About

Spaciousness, modernity and good seaworthiness describe our Sun Odyssey 490. Perfect for sailors who are also looking for modernity. If I had to highlight the strengths of the Little Mia I would say that it has a manoeuvrability that impresses, it has two rudder blades which makes it much more reactive in manoeuvres and it is equipped with a very powerful bow thruster which will get you out of any trouble manoeuvring. Another strong point is the space on board and the side passageways to get out of the cockpit, this makes it very comfortable to move around the deck. The cabins are spacious and well ventilated. The forward cabins each have their own bathroom and the galley is very complete and comfortable to use. The boat also has a forward skipper's cabin with private bathroom, which can be used as a storage room in case it is not occupied by any

of the crew.

## Specifications
