About

We are very happy to have another Bali Catspace in our fleet since the first one has proven to be so popular. Lucky Fin is a brand new 2024 that is directly from the factory to us! The Bali Catspace combines all the latest innovations in cruising: the integral deck, extremely efficient when sailing, allows you to move easily and comfortably around the various spaces, from the aft deck with bench seating to the forward cockpit with a lounging area and place to sunbathe. Her inverted bows, a signature element of models in the BALI range, offer a pronounced design. The integral deck allows for fluid circulation between the various spaces and ease of moving around while underway. The ?BALI door? amplifies the living space of the saloon-cockpit area. Thanks to the large windows, the interior is bathed in light. The beautiful flybridge is home to the panoramic view helm station and an immense and safe relaxation area. A new design with softer lines and inverted bows flaring upwards gives her an elegant and racy silhouette. Unique for her class, the flybridge accommodates a fantastic living and sailing space, while the salon-cockpit opens or closes onto the Caribbean trade winds, thanks to the large "garage door", which makes this boat feel more like a 45-footer. The CATSPACE is a true revolution in her class and our guests LOVE this yacht model!

Specifications

Destination: Road Town

Builder: Bali Catamarans

Model: Bali Catspace

Year: 2024

Type: catamaran

Hull: catamaran
