About

MAESTRO is one of our brand-new yacht additions, delivered in 2024. She is the best equipped yacht of this size available for charter in Greece, featuring a lot of equipment that is usually reserved for much larger yachts. As such, she features an hydraulic bathing platform/tenderlift, an hydraulic gangway, beautiful teak deck, generator, air conditioning, watermaker, icemaker, a luxury center console dinghy with powerful 40HP engine and a large variety of luxury watertoys, including Waterski (adult & junior), Wakeboard (adult & junior), 2x Stand Up Paddle Boards, towable tubes (donut & banana), and snorkelling gear. Underwater lights create the right ambience onboard. WiFi is complementary. CREW S/Y MAESTRO is operated by a professional skipper who ensures expert navigation and meticulous care of the yacht throughout your journey. The skipper holds an advanced International Sailing License and manages all aspects of sailing and yacht maintenance to ensure a safe and enjoyable experience. The skipper can be

accommodated in a separate crew cabin at the bow, complete with a private skipper bathroom. For guests seeking additional service, a hostess can be booked optionally. The hostess can also be accommodated in the crew cabin at the bow and will prepare meals, clean the common areas, freshen up guest cabins and bathrooms daily, and assist the skipper with yacht maneuvers, enhancing the comfort and overall experience aboard S/Y MAESTRO. BASE Our yachts are based in Sivota Bay, nestled in the southern region of Lefkada Island. Positioned centrally in the Ionian Sea, Lefkada serves as an ideal launching point for your exploration. From here, you can effortlessly sail either south or north, adjusting your course according to wind and weather patterns. Sivota Bay itself is a charming and picturesque locale in the southern part of the island, offering a unique opportunity to start and end your sailing adventure in one of Greece's most idyllic setting. Situated approximately 15 nautical miles south of Marina Lefkas, you'll enjoy the advantage of sailing ahead of the majority of other charterers. This allows you to discover typically more crowded destinations, such as the enchanting village of Fiscardo on Kefalonia, as early as Saturday evening. Moreover, by returning to our base in a serene bay on Friday night instead of a bustling marina, you'll gain an extra day to savor the delights of being onboard and exploring the surrounding beauty.

Specifications

Destination: Lefkada

Builder: Lagoon
