About

Our charter yachts are equipped and maintained to meet or exceed RYA/MCA safety equipment standards, with a strong focus on reliability, seaworthiness, and ease of use for both skippers and crews. Each vessel carries comprehensive safety and navigation equipment, including modern chartplotters, AIS, updated paper and electronic charts, full sets of lifejackets and harnesses, flares, fire-fighting equipment and emergency communications. All critical systems and safety gear are regularly inspected, tested and serviced by qualified professionals, and every yacht is prepared before each charter with thorough checks to ensure that everything on board is fully operational, clearly labelled, and ready for safe and comfortable cruising.
