About

In 2022, I obtained my Category C boat skipper license and have since worked as a skipper and sailor on various vessels. That same year, I earned a Yacht Master Certificate for yachts up to 100 GT. In 2023, I completed a practical course for professional skippers at Croatia Sailing Academy, where I also trained to become a catamaran skipper. I acquired my Category B boat skipper license ten years ago and have extensive experience skippering smaller boats. Additionally, I have served as an instructor for Category B boat skippers, providing both theoretical and practical training in English. In my free time, I enjoy sea kayaking.
