About

Beneteau's Oceanis 35.1 sailboat was designed giving priority to spaces and their optimization. Ideal for a small family or two or three couples of friends. Inside have been designed to offer passengers great comfort and maximum utility. The cockpit of the Oceanis 35, very large as the latest fashion dictates, remains very liveable and safe and the roll-bar performs very well its role as a holding point for things (mainsail and bimini) and for people. The boat has a double rudder blade, it behaves well, it is easy to maneuver and to moor.
