About

I have completed skipper course at ANA sailing academy and have participated in some regattas like transatlantic (Croatia-Italy) and adriatic offshore regatta (Krk to Palagru?a) at NAS sailing school and for the time being I have 1 week of experience as a non professional skipper. Also I have RYA day skipper licence and planning to continue my education with RYA courses. Graduated in finance, hungarology and indology, I'm looking forward to be able to meet and communicate with people coming from different backgrounds and cultures, spend more time in nature, take a break from daily routine and improve my sailing skills. In my free time I like to hike and travel. (really)
