About

Step aboard Mistral, a brand-new 2026 Lagoon 38, and enjoy the perfect balance of comfort and easy performance. Designed with bright, welcoming interiors and effortless handling, Mistral features three comfortable cabins, including one owner's suite, generous natural light, and seamless flow between the salon and cockpit. The galley is complemented with a home-style refrigerator / freezer for keeping all of your provisions. Some charter boat berths can be hard and uncomfortable. But on Mistral, all three queen beds have a Tempur-pedic air cooling 3" memory foam mattress toppers to give you a comfortable, relaxing night's sleep. Air conditioning is available when running generator or plugged in for shore power, but only in the cabins and not in the salon/galley. A self-tacking jib and well-balanced sail plan make trimming simple, while wide transoms and a roomy cockpit create inviting spaces for relaxing at anchor or underway. Whether exploring quiet bays or island-hopping through the BVI, Mistral offers a fresh, modern sailing experience ideal for families and small groups. Sourced from the operator listing page; facts not invented.
