About

NAMA is a brand new Lagoon 60, built in France in 2026. As the very first model available for charter in Italy, she is equipped with all available options and showcases the latest innovations from the Lagoon shipyard. The interiors and exteriors of NAMA have been entrusted to Caroline Andreoni. She brings a distinctive sensibility to the yacht, with a carefully curated palette of blue and red fabrics and graphic prints, inspired by the spirit of the Italian Dolce Vita. Exclusive fabrics by an acclaimed Italian editor add a subtle Mediterranean vibrancy to the overall design. The galley â conceived as a design statement as much as a functional area â features a metal finish selected to evoke the movement of waves and to enhance the play of natural light. Entirely open to the sea, the aft cockpit affords exceptional freedom of movement and its opening terraces gives the feel of a real beach club onboard.

Specifications
