About

River boat of Italian construction to navigate into the canals, in the lagoon and in the sea along the coast. The NCF First is a very comfortable boat with ample inside spaces.

At the bow there are two double cabins equipped with wardrobe and drawers. Two bathrooms: one cabin with shower, wc and washbasin and one cabin just with WC. Ample windows keep the interior salon always bright. Here there are also the first driving position, a radio/cd player, the dinette which can be transformed into a double bed. The kitchen is equipped with two-ring cooker, oven and fridge (130 l) and enough space for supplies. The second steering position, covered by bimini, affords an excellent visibility. Large external sunbathing area on the bow and well deck with sunshade. The astern bridge makes it easier to get on and off the boat at the dock. Equipped with bow thruster.
