About

The new Sun Odyssey 490 successfully combines contemporary style with elegance and harmony. This 49 feet sailboat has revolutionized cruising: she is the only sailboat in their category to feature movement about the deck without obstacle. For example, the side decks are inclined, sloping down to the cockpit floor, meaning that there is no need to step over the coaming! This model of SOD 490 features 4 double cabins, 1 bunk beds cabin, 3 heads and 1 skipper-bow cabin with its own head. The highlights of inventory are inverter, bow thruster, solar panels and air-conditioning in saloon.
