About

The Smart Spirit of the Bali Range The CATSMART 3.8 embodies the true spirit of the Bali brand, blending innovation with comfort and practicality. Staying true to the brand's DNA, it features the renowned 'Bali door' and a rigid deck that extends into the forward cockpit, which has become a signature of Bali's reputation. This design creates an open, inviting space that enhances the flow between the interior and exterior, giving passengers a sense of spaciousness and freedom. This model is the perfect transition from monohul to catamaran for traditional sailors, with dual helm system, both close to the sea level. The lack of fly bridge, having the sailing center closer to sea, offers the chance to really sail in a wide range of angles. Featuring 4 double cabins and 2 heads, plus 2 skipper cabins, it has the perfect layout to accommodate up to 10 persons. Upgraded with air-condition and inverter to maximize comfort in this size and water-maker to maximize independency, Bali Catsmart is the perfect smart small/big catamaran.
