With redesigned tasteful interior, brand new upholstery and floors, premium mattresses, and carefully selected linen, as well as features like a new sound system, (optional) Starlink internet from lower orbit, digitally controlled air conditioning, a freezer, an outdoor bbq, great fishing gear, a dinghy that allows water sports and fun, the option to rent any water sport gear you would wish for, and much more, Ouna is setting out to deliver the good life on a boat like it should be.
